● 242 - 141 = 101. The difference from one to the next, for the first 9, is exactly 101. That is where the ANCIENT ORDER's "101" comes from.

●This system is perfect because they have the ability to control your impulses and they see you and you don't have any idea. And that is why this system is never shown on the news, in movies, in science programs, etc. 2 out of 3 is 66%. The "101" symbolizes that they progress from one venture to the next flawlessly. The "101" is a symbol of 100% progression. They lie to others to always pretend this system is new.

●The ANCIENT ORDER have connected some very important crimes to this progression List:

● #14: 6-18-39. 39 + 39 = 78. In 1978, exactly 39 years from this date, on 6-18-78, JEFFREY DAHMER killed his first victim, as seen at right.

● #16: 12-10-44, the 345th day of 1944. Exactly 34 years from this date, on the 345th day of 1978, JOHN WAYNE GACY killed his last victim.

●Serial killers Gacy and Dahmer, both connected to this progression List in 1978.

● #25: 8-10-69. Look at #25 and the date of 8-10-69. That is day #25,425 or "25 for 25".

● On 8-10-69, that exact date, the 2nd night of the MANSON murders took place. The Manson murders took place on 8-9-69 and 8-10-69.

● On 8-10-77, exactly 8 years to the day of the 8-10-69 Manson killings, DAVID BERKOWITZ, the "Son of Sam" killer, was captured in New York.

● Gacy said Robert Plest, 15, his last victim, was an exception to his usual pickup pattern. Plest's disappearance on Dec. 11, 1978, broke the case and led to Gacy's arrest.

Aug. 9, 1969...  
That was the day a housekeeper reported for work at film director Roman Polanski's home in the Hollywood hills and found five bodies, slashed and bloodied.

The next night, Leno LaBianca, the owner of a grocery chain, and his wife, Rosemary, were found beaten and stabbed in their home east of Beverly Hills.  
U.S. NEWS & WORLD REPORT, DECEMBER 6, 1999

When police finally arrested him on Aug. 10, 1977, David Berkowitz was unfazed. "Well, you've got me," he shrugged. And with that, the "Son of Sam" siege that had petrified normally jaded New Yorkers was over.
